

# FBC Zipit Smart, the easy way to pay!

ZIPIT Smart is a mobile based merchant and bill payments solution. It is a new function on the ZIPIT platform that enables the initiation and transfer of merchant payments via a mobile phone to a unique Zipit Smart Merchant code.

**It can be used for the payment of:**

Groceries | School fees | Tithes and offerings | Other goods and services

# How to use Zipit Smart

## FBC Zipit Smart Payment Solution for Account holders

### Who can use the FBC Zipit Smart

- Any customer with an active bank account registered on FBC Mobile Moola or Mobile Banking Application will automatically gain access to the product.

### What are the benefits of Zipit Smart

- Instant and real-time on site and remote payments
- Low-Cost payment solution
- Provides the convenience to make payments without moving funds to mobile wallets

### How do I pay using Zipit Smart ( FBC Account holder)

- Dial \*220#
- Select Banking Services
- Enter 4 Digit pin code
- Select option 6 Merchant Payment
- Select option 1 Zipit Smart
- Enter merchant code

- Enter amount
- Press 1 to confirm payment
- Press 1 to return to main menu

### For other Banks (Non-FBC Customers)

- Dial your Banks USSD menu and follow through the prompts

## Merchant Zipit Smart Registration

### Who qualifies to be a Zipit Smart Merchant

- Any business enterprise with active bank accounts qualify
- Registered companies who wish to open bank accounts also qualify to become Zipit Smart merchants
